

March 20, 1996 LB 1120, 1191

SENATOR WEHRBEIN: Well, a tax commissioner would be established.

SENATOR SCHIMEK: And that's the only one, huh? Okay. Okay. Thank you.

SENATOR WILL: Thank you, Senator Schimek. Senator Wehrbein.

SENATOR WEHRBEIN: I will pass at this point, unless there's further discussion.

SENATOR WILL: Senator Wehrbein, yours was the last light. You're recognized to close on the advancement of LB 1120.

SENATOR WEHRBEIN: All right. Thank you. The reason for this, once again, is to enumerate in the statute the salary of the tax commissioner so it is clear what it is to everyone, just as it's clear now to other constitution...to constitutional officers. That's the reason for this, that we have a specific number in our budget and it's a separate line item so that we know what it is and it's clear to everyone concerned what it is and what it's to be. So, sometimes we've had some uncertainties exactly what it was, where this was an effort to do that and be a specific item.

SENATOR WILL: Thank you, Senator Wehrbein. You've heard the close on the advancement of LB 1120 from General File. That is the question before the body. All those in favor of the advancement of LB 1120 vote aye, opposed no. Mr. Clerk, please record.

CLERK: 26 ayes, 0 nays, Mr. President, on the advancement of 1120.

SENATOR WILL: LB 1120 advances. We now move to LB 1191. Mr. Clerk.

CLERK: (LB) 1191, introduced by the Speaker at the request of the Governor. (Read title.) Bill was introduced on January 11, referred to Transportation Committee, advanced to General File. I have no amendments to the bill.

SENATOR WILL: I don't see Senator Withem. Senator Wehrbein,
